Dear Applicant,

Congratulations on being one step closer to gaining entrance into the College of Medicine at the University of Saskatchewan.

At this time, we would like to provide you with information about the U of S Pre-Med Club's annual Mock Multiple Mini Interviews. This event will be hosted on Sunday, March 5th in the Clinical Learning Resources Centre of the Health Sciences Building. In order to accommodate as many students as possible, three MMI sessions will be offered starting at: 11 am, 1:30 pm, and 4:30 pm. This is a great opportunity to practice your interview skills in an environment much like you will experience in the actual MMI. You will also gain personal feedback from current medical students, as they will be the mock interviewers. The interview will be a mini-version of the actual MMI, lasting approximately two hours with a debriefing session afterward. As there is only a limited number of spots for this event, please reserve your spot with us as soon as possible. SPACES WILL FILL UP!!! Tickets cost \$5 if you hold a U of S PMC membership, \$10 if you do not, and must be paid upon check-in on March 5th. Please bring cash (exact change is appreciated) and arrive 20 min ahead of your assigned time to facilitate registration.

To reserve your spot or to inquire about the Pre-Med Club, contact us by email at uofs.pmc@usask.ca. In order to prioritize spots for people who have received an invitation to participate in the MMI, please have "Invitation response - mock MMI" as your subject heading in all of your correspondence with us.

Best of luck and we look forward to hearing from you!

Sincerely,

U of S Pre-Med Club 2016-2017
