MUCH MADNESS, DIVINEST SENSE

Women's Stories of Mental Health and Health Care

EDITED BY
Nili Kaplan-Myrth MD, CCFP, PhD
Lori Hanson MSc, PhD

Did you know that 20% of Canadians will experience a mental health illness in their lifetime?

Come learn about mental illness through story telling from individuals dealing with mental illness and family members sharing. A mental health professional will provide information and a new book on women and mental illness will be launched. Question and answer period will follow.
