The bylaws which pertain to “moonlighting” now state:

2.2 Definitions

Associate Dean of Postgraduate Medical Education – the individual assigned the responsibility by the College of Medicine, University of Saskatchewan, to review and approve practice plans submitted by physicians seeking to moonlight;

2.12 Educational Licensure

- (f) *The Council may authorize the holder of an Education Licence who is on the Education Register as a resident or by reason of other postgraduate training being undertaken by the physician, to engage in the practice of medicine (moonlighting) in addition to the educational program of the College of Medicine or residency training program, as the case may be, if the applicant has filed a practice plan with the office of the Associate Dean of Postgraduate Medical Education and has received the approval of the Program Director in the physician’s program and the office of the Associate Dean of Postgraduate Medical Education for that practice plan.*
- (g) *A person authorized to engage in additional medical practice under paragraph (f) may only practise medicine as authorized in the approval of the practice plan.*
- (h) *The authorization to engage in additional medical practice under paragraph (f) shall be subject to the following limitations:*
 - (i) *the physician must have clear and immediate access to supervision including the availability of direct (on-site) supervision when necessary; and,*
 - (ii) *the physician must function under the direct supervision of the most responsible physician - who retains primary responsibility for the patient. The physician shall not be a replacement or substitute for the most responsible physician; and,*
 - (iii) *such other restrictions or limitations as may be specified by the Council.*
- (i) *The Council’s authorization to engage in additional medical practice under paragraph (f) shall automatically be revoked if the approval of the Associate Dean of Postgraduate Medical Education or the Program Director is withdrawn.*
- (j) *A person whose name is entered on the Education Register shall not sign a document that requires the signature of a duly qualified medical practitioner, unless that person also holds a form of licensure permitting the person to engage in independent practice.*
