

## Grade Conversion Scales Used by the College of Medicine Admissions Office

When converting marks from the letter grades to U of S, each letter grade must be converted first, then the average must be calculated using the U of S equivalents.

There are many variations of the grading scales. Find the scale that exactly matches the grading system on the back of the transcript you are looking for grade conversions.

The U of S equivalencies are in effect starting from the 2014-2015 academic year, starting with the 201405 term. For 201401 and older, please email [med.admissions@usask.ca](mailto:med.admissions@usask.ca).
