

ALUMNI ASSOCIATION MEMBERSHIP UPDATE

WINTER 2020

HAPPY NEW YEAR!

As you read this update it is my hope that you have recently enjoyed a relaxing holiday season with loved ones, and may 2020 bring with it clarity, focus and vision.

On behalf of the College of Medicine Alumni Association Board of Directors, I would like to thank you for your past membership purchase. Your \$100 annual fee, or one-time \$750 lifetime membership fee, supports initiatives that offer alumni and medical students the opportunity to engage in meaningful ways. Some examples include providing refreshments and relaxation for students during stressful exam periods; funding the annual alumni vs. students

Knuckle Cup hockey game; sponsoring the Medsters golf tournament; funding student-run conferences and charity events; supporting activities during the Regina Integration weekend and subsidizing the annual Highlights conference. Funds from your membership also help us provide white coats to first-year students and photo composites for graduating fourth-year students.

We are always looking for significant ways to support medical students. If you have an idea that would benefit your fellow alumni and students, or if you would like to become more involved, please contact

alumni relations officer Anne-Marie Cey at 306-966-5763 or email annemarie.cey@usask.ca

Thank you for your continued support of our students and your fellow alumni. All the best to you for a happy and healthy year ahead!

Dr. Craig Hubbard
 President
 College of Medicine Alumni Association

Highlights in Medicine

June 18-20, 2020

Honoured years: 1960, 1965, 1970, 1975, 1980, 1985, 1990, 1995, 2000, 2005, 2010 and 2015

If you are an alumnus of one of the honoured years ending in zero or five, mark June 18-20 in your calendar! Your class representatives, working with staff and key Alumni Association board members, have been developing the framework for the 35th annual Highlights in Medicine conference. Once again, activities will happen on and around the University of Saskatchewan

campus. Many interesting educational sessions are being planned, along with tours of the old and new medical buildings, as well as the Canadian Light Source, the Vaccine and Infectious Disease Organization and other interesting areas around campus. Join fellow alumni for three days of reconnecting, celebrating and networking!

ALUMNI RECEPTIONS

This past year the Alumni Association partnered with the College of Medicine to host alumni and friends receptions in Regina (Oct. 10), Calgary (Oct. 17) and Saskatoon (Oct. 22). Guests spent the evenings reconnecting, reminiscing and hearing about their college from Dean Dr. Preston Smith, Vice-Dean Education Dr. Kent Stobart and Associate Dean of the School of Rehabilitation Science Dr. Teresa Paslawski. More than 150 alumni and friends in total attended the three receptions.

If you are interested in organizing an alumni event in your area, please call Anne-Marie at 306-966-5763 or email annemarie.cey@usask.ca.

Dean Dr. Preston Smith and Vice-Dean Education Dr. Kent Stobart answer questions during the Saskatoon alumni and friends reception.

Your Alumni Association membership supports medical students

When you renew your annual membership or choose to become a lifetime member, your fees not only support the many activities and programs for you and your fellow alumni, but also current College of Medicine students. The annual membership fee is \$100 or a lifetime membership is \$750. Examples of where your membership dollars are spent include:

- Subsidizes the annual Highlights in Medicine conference and reunion
- Supports the Honorary Alumni Lecture at Highlights
- Funds the Spirit of the Class and Spirit of the College awards
- Sponsors a variety of student-run activities and fundraisers
- Operations and administrative support for the Alumni Association

To purchase your membership, please call 306-966-8864 or complete the attached membership application form and return it in the enclosed postage-paid envelope.

CELEBRATING 60 YEARS OF COMMUNITY HEALTH AND EPIDEMIOLOGY

The Department of Community Health and Epidemiology's (CH&E) 60th anniversary and reunion was held Oct. 24-26. More than 100 guests attended the celebrations, which included alumni from the community and population health sciences graduate programs and the Public Health and Preventive Medicine residency training, along with current CH&E staff, students and faculty. Activities included a reception, conference, banquet, campus tours and brunch at the Rемаi Modern.

CALL FOR NOMINATIONS - SPIRIT OF THE COLLEGE AWARD

This award was established in honour of Dr. Louis Horlick, professor emeritus of the College of Medicine, whose spirit, dedication and enthusiasm was exemplified over his vast career. Dr. Horlick was proud of the College of Medicine, where he personally trained hundreds of physicians and took great satisfaction in hearing of their successes.

This award is open to nominations from alumni, faculty, staff and students. Nominees must be associated with the college and

exemplify service and dedication going above and beyond the call of duty. All College of Medicine alumni, faculty, residents, students and staff are eligible. Deadline for nominations is **April 30** and the award will be presented at the Highlights in Medicine banquet on Saturday, June 20. Nomination forms and terms of reference are available on the College of Medicine website medicine.usask.ca/alumni. For more information call Anne-Marie at 306-966-5763 or email annemaria.cey@usask.ca.

Dr. Louis Horlick, O.C., S.O.M.

Louis Horlick was born in 1921 in Montreal. After medical studies at McGill University he joined the faculty of the College of Medicine at the University of Saskatchewan in 1954. A cardiologist, Dr. Horlick pursued extensive teaching and research mainly in the area of hardening of the arteries. In 1962 he became Professor of Medicine and from 1964 to 1971 was head of the Department of Medicine. After retirement in 1989 he was appointed professor emeritus and continued an active program of research and publications. He was also involved in preventive medicine and lifestyles programs for seniors.

An internationally known authority on cardiology and cholesterol, Dr. Horlick made a significant contribution to the understanding

and prevention of heart disease. In addition to his professional career, he volunteered extensively with the Saskatchewan Heart and Stroke Foundation, serving as a member of the board, on various committees and as president. Dr. Horlick was the leader in establishing a cardiac rehabilitation program for patients of all three Saskatoon hospitals. He is known in Saskatoon as the "father of 9-1-1" for his role in the introduction of the emergency telephone number. In 1988 he received a National Volunteer Award and in 1991 was the recipient of the prestigious James Graham Award of the Royal College of Physicians and Surgeons of Canada. Dr. Horlick was named an Officer of the Order of Canada in 1994.

Dr. Louis Horlick received the centennial medal from Lieutenant Governor Lynda Haverstock on March 8, 2005
