GRAND ROUNDS

Raiders of the Ischemic Heart: The Quest for the Holy Grail of Myocardial Preconditioning and Cardioprotection with Volatile Anesthetics

PRESENTED BY
Dr. Derick Chang

Learning Objectives:

- To provide a historical and clinical overview of the literature on Myocardial Preconditioning with Volatile Anesthetics
- To review the physiology of both ischemic and anesthetic preconditioning and examine the factors that influence organ conditioning
- To look at potential clinical implications and impacts in daily clinical reality using what we currently know about Myocardial Preconditioning

DATE: Friday, February 8th, 2019
LOCATION: E1130 Health Sciences
TIME: 0715 – 0815

This event is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada.
