## Research Project Description

COMPLETED BY A CO-SUPERVISOR. Include project title, goals and objectives, a brief description of the methodology, and expected outcomes. 250 words max.

## Student Project Description

COMPLETED BY A CO-SUPERVISOR. Describe the student's roles and responsibilities, learning objectives, and tangible outcomes (presentation, authorship, networking opportunities). 250 words max.

## Student Statement of Interest

COMPLETED BY THE STUDENT. Briefly describe why you want to be involved in this research project and how your experience and skillset can help you complete this project. 250 words max.

## Co-Supervisory Environment

COMPLETED BY A CO-SUPERVISOR. Describe the **co-supervisory and interdisciplinary** environment, including benefits, supervisors-student interactions, and student supports. 250 words max.

| Timeline |
|---|
| Project timeline should be clearly outlined and realistic and include start and end dates. |
| |

**Research Ethics Approval**
If approvals are needed, it is the responsibility of the supervisors and must be in place prior to the start of the project. REB applications must be submitted by March 1 to allow for the approval process to take place before the project start date.  Contact ethics.office@usask.ca for any questions.

**Reports**
All successful applicants will submit a mid-point and final report via SurveyMonkey. Reports will be used to assess progress, timelines and other concerns.
