

Global Conference on Cancer, Chronic Disease & Equity (GC3E 2026)

UNIVERSITY OF
SASKATCHEWAN

November 28-29, 2026

Invitation to Participate in the Global Conference on Cancer, Chronic Disease & Equity (GC3E 2026)

Conference Theme: Bridging Discovery, Equity, and Implementation to Transform Outcomes

Dear Colleagues,

The Organizing Committee is pleased to invite you to join leading scientists, clinicians, healthcare professionals, policymakers, industry leaders, and trainees from around the world at the inaugural Global Conference on Cancer, Chronic Disease & Equity (GC3E 2026), to be held at the University of Saskatchewan, Saskatoon, Saskatchewan, Canada, on [November 28-29, 2026](#).

Under the theme "**Bridging Discovery, Equity, and Implementation to Transform Outcomes**," GC3E 2026 will serve as an international forum for presenting cutting-edge discoveries, fostering interdisciplinary collaboration, and advancing innovative approaches to improve outcomes across cancer and chronic diseases.

Why Attend GC3E 2026?

GC3E 2026 has been designed to bridge fundamental discovery, translational research, clinical innovation, population health, implementation science, and health equity. The conference will feature internationally recognized keynote speakers, distinguished invited experts, competitive trainee presentations, interactive poster sessions, and outstanding networking opportunities.

The scientific program is organized around six major themes:

- Cancer Biology and Precision Oncology
- Novel Therapeutics and Translational Research
- Chronic Disease Prevention and Management
- Precision Medicine Across Chronic Diseases
- Health Equity, Indigenous Health and Global Health
- Population Health, Epidemiology and Implementation Science

A Collaborative Scientific Forum

GC3E 2026 is designed to foster interdisciplinary collaboration and international partnerships through networking events, poster discussions, and scientific exchange among researchers, scholars, clinicians, and trainees from around the world.

Global Conference on Cancer, Chronic Disease & Equity (GC3E 2026)

UNIVERSITY OF
SASKATCHEWAN

November 28-29, 2026

The conference will open with an Indigenous Welcome and greetings from University leadership, reflecting the University of Saskatchewan's commitment to reconciliation, inclusion, and global engagement.

Publication Opportunities: Selected abstracts and manuscripts will be considered for publication in affiliated Special Issues and partner journals, subject to peer review.

Registration

- Faculty / Principal Investigators: **CAD \$250**
- Trainees / Students: **CAD \$150**

Important Dates

- Early Registration Deadline: **August 30, 2026**
- Conference: **November 28-29, 2026**

Abstract submission

Additional information on keynote speakers, sponsorship opportunities, abstract submission guidelines, and registration is available at:
<https://ahdcc.org/conference-2026/>

We sincerely hope you will join us in Saskatoon for the inaugural GC3E as we launch a new international forum dedicated to advancing scientific discovery, promoting health equity, and fostering global collaboration. We would also be grateful if you would share this invitation with your colleagues, collaborators, trainees, and professional networks.

With best regards,
