## Adjudicators

### **Donna P Manca, MD, MCISc, CCFP, FCFP**

Dr. Manca is a family physician with 30 years of practice, the Director of Research in the Department of Family Medicine at the University of Alberta, and the Clinical Director of the Alberta Family Practice Research Network. Her educational and research interests are: chronic disease prevention and screening; physician workplace issues including physician boundaries; workplace safety; and, physician working relationships. She was a founding member of the Canadian Primary Care Sentinel Surveillance Network (CPCSSN) and a lead investigator on the BETTER project (Building on Existing Tools to Improve Chronic Disease Prevention and Screening in Family Primary Care).

### **Donna Goodridge, RN, PhD**

Dr. Goodridge is a nurse first, with 24 years of clinical experience, which informs her pragmatic approach to research and teaching. She engages in research projects that will have realistic implications in understanding health in new ways and improving care in Saskatchewan and beyond.

### **Colum Smith, MB BCh BAO**

Dr. Smith is the Acting Associate Dean (Research) for the College of Medicine.

## **Acknowledgements**
