## Adjudicators

### **Brent Kvern, MD, CCFP - Winnipeg, MN**

Brent Kvern is an Associate Professor in the Department of Family Medicine at the University of Manitoba. Even though he works in an academic family medicine setting, he provides "full service" family medicine, including after-hours coverage and care for patients in the office, those admitted to hospital, and those on the labour floor. He is a former Associate Dean of Continuing Medical Education and a former Family Medicine Program Director. He enjoys teaching many subjects to undergraduate and postgraduate medical trainees, but critical appraisal and procedural skills are two of his favorite areas. His research interests include Guideline Development and influencing physician clinical behaviour especially in the areas of osteoporosis and diabetes.

Dr. Kvern is currently the Chair of the Editorial Advisory Board, Canadian Family Physician.

### **Volker Rininsland, MD, CCFP - Moose Jaw, SK**

Volker Rininsland grew up in Lanigan, SK. He graduated from the University of Saskatchewan with a MD in 1981 and obtained his CCFP in 1983. He practiced full service Family Medicine including ER and OBS until 1994 when he moved to Hayden, Idaho where he lived and worked until 1997 when he returned to Moose Jaw. He has been the President of SK College of Family Physicians twice; held multiple positions in Five Hills Health Region; and, is currently an examiner for the CCFP exam.

Dr. Rininsland is the Site Director for the Moose Jaw Family Medicine Residency Training Program.

### **Gordon McKay, PhD**

Dr. McKay is the Acting Associate Dean (Research) for the College of Medicine.

## **Acknowledgements**
