

College of Medicine Emergency Leave Grant Application Form

A College of Medicine graduate student may apply for financial assistance during a medical or compassionate leave occurring prior to the completion of the student's program. Applicants must hold a minimum funding level of \$16,000/yr, receive an approved leave from the College of Graduate and Postdoctoral Studies, and have supervisor support in order to be eligible.

Master's students may apply within the first two years of their program, and Doctoral and Doctoral transfer students may apply within the first five years of their program. Applicants must intend to return to full-time studies following the leave.

Amount: \$1000/month for up to two months. Paid via monthly installments. No renewals, available once per academic program.
