September 30, 2025
National Day for Truth and Reconciliation
(NDTR)

2025 marks Canada's 5th (NDTR).
The University of Saskatchewan observes
the week before NDTR as the Week of
Reflection.

This is a solemn and powerful day dedicated
to honouring the children who never returned
home from residential schools, as well as the
Survivors, their families, and communities.
It's also known as Orange Shirt Day.

Mission and Vision

Health Sciences Graduate Studies/Program

VISION

To establish the Health Sciences Graduate Program as a unique research-based multi-disciplinary program that will continue to attract, retain, train, and recognize a diverse group of outstanding graduate students, and mentor and transform them into leaders in their respective fields.

MISSION

To enable diverse groups of graduate students to broaden their perspectives on health sciences research and enhance their career options in an ecosystem where wellness and inclusion are prioritized, excellence is promoted and rewarded, researchers and instructors are committed and dedicated, and where integrity and quality of the graduate programs are valued.

VALUES

- Excellence and innovation
- Honesty and integrity
- Mutual respect and collaboration
- Wellness and social responsibility
- Transparency and fairness
- Scientific accountability
- Leadership accountability
- Equity, diversity, and inclusion
- Inclusion with respect

RESEARCH ADVISORY COMMITTEE (RAC)

- Provides academic and research oversight
- Supports mentorship and development

Role of the RAC (Health Sciences)

- Determined during the student application process
- Provides oversight and advice to the student
- Ensures program requirements are met
- Provides troubleshooting and feedback on research projects to ensure the student obtains sufficient knowledge in their research area
- Suggest courses to take
- Approve or deny requests to transfer from M.Sc. to Ph.D.
- Conduct the Candidacy Assessment
- **Mentorship support for students**

Note:

- **The student's supervisor must be from the CoM**
- **Must complete the Student-Supervisor Agreement** within the first year of the program
- **RAC members should be included** in the supervisor's letter of support
- **Must complete the financial commitment form** that is also signed by **the department head**

RAC Structure (Health Sciences)

(CGPS: Effective May 1, 2022)

- **M.Sc.** A minimum of **two committee members**; i) The Supervisor (and Co-Supervisor); ii) at least one additional faculty member
- *HSC recommendation: At least **three members** (to mitigate voting ties). Two members only in exceptional circumstances and approved the Assistant Dean.*
- **Ph.D.** A minimum of **three committee** members; i) the Supervisor and Co-Supervisor count as one; ii) one additional faculty member; iii) one Cognate member from a department external to the student.
- The supervisor may chair the RAC meetings (M.Sc. and PhD).
