August 28, 2020

Dear USask residents:

On behalf of College of Medicine leadership, I want to thank you for your continuing commitment to and involvement in providing care to the people of Saskatchewan during the pandemic.

All decisions made in this evolving and complex situation involve consultations (local and national), evidence (to the degree it is locally adaptable) and with our unwavering commitment to your success.

The College of Medicine has provided support to the residents on in-house call by providing \$20 per day for food from April 06 – August 31, 2020, over and above the call-stipends. Following August 31, we will continue to monitor this situation and review in future as needed.

As all of you are aware, a call for financial support (available through CMA bursary) has been sent out to you. Please do send in your application.

The [PGME office](#) is working with all residents, programs and staff during this time and we are available to answer any questions you may have.

Sincerely,

A handwritten signature in cursive script, appearing to read "Anurag Saxena".
