

A RECIPE FOR A CAREER IN RESEARCH

DR. JON (YOSEF) BARRETT, FRCOG FRCSC

HEAD, MATERNAL-FETAL MEDICINE, SUNNYBROOK HLTH SC CENTRE
PROFESSOR, UNIVERSITY OF TORONTO

BIOSKETCH: Dr. Barrett is a preeminent Maternal Fetal Medicine specialist with multiple appointments, primarily at Sunnybrook Research Institute, and Sunnybrook Health Sciences Centre. Dr. Barrett has a special interest in multiple gestation pregnancies, and his contributions to research can be seen on local, national and international levels.

OBJECTIVES:

1. To provide a recipe to those who wish to embark on a research career in Academic Obstetrics and Gynecology
2. To inform members of highlights in twin research across a generation
3. To provide a glimpse of the future of research in Canadian OBSTETRICS

Wednesday, November 8th, 2017 - 5:00 PM
Health Sciences Lecture Hall 1150
107 Wiggins Road, Saskatoon, University of Saskatchewan
