Have you discussed this Endowment request with your Division Supervisor?

Yes No Name of Supervisor

If this request is to fund a visiting lecturer, will s/he be addressing or visiting the Department of Pathology & Laboratory Medicine and participating in its teaching activities in general? Yes No

Given that Endowment funds are made available as a result of a gift made by a donor to the Department of Pathology and Laboratory Medicine, we have a duty to report back to the donor on how these funds are used and display this information on our website. For these reasons, you will be required to provide a one-page written summary about the grant, including information regarding the impact it has had on your training and profession. This report must be submitted, no later than 14 days after the date funds were used. This report can be submitted to the Pathology and Laboratory Medicine main office, RUH 2841 or emailing: loreen.trautmann@usask.ca
