# Endowment Funds

## *Terms of Reference*

### Dr. Thomas A. Cunningham Memorial Fund

- Enhancements to the TAC Library
- Travel support to PGME & UGME students as well as MLT's/MLA's/BSc's

### Maureen Fuller Memorial Lecture Fund

- Support lectures to enhance the student experience and be an information source for faculty

### Barbara Moore Memorial Trust Fund

- Support residents or grad students pursuing careers in Pathology as well as UGME students and MLT's/MLA's/BSc's for travel to courses or meetings of one week's duration outside of Saskatoon

### D.F. Moore Memorial Lecture Fund

- Support to a resident or to fund a visiting Professorship (distinguished speakers in the field of Laboratory Medicine who will deliver the "DF Moore Memorial Lecture")

### Mrs. J. Olszewska Neuropathology Fund

- Promote the development of the science of neuropathology by supporting Research & Scholarship and Continuing Medical Education initiatives
- Establish a process for funding attendance at or the organization and hosting of an annual event relating to neuropathology

### SHR Pathologists Fund in Medicine

- Support the academic mission of the Department relating to teaching, research, clinical needs and faculty renewal

### Dr. Rajendra K. Sharma Resident Research Award in Pathology

- Support, encourage and facilitate research by residents in the Department

### Saskatchewan Association of Laboratory Medicine Award

- Support MLT's/MLA's/BSc's working within Laboratory Medicine in their participation in local, national and international meetings and conferences. Other funding for educational opportunities may also be permissible at the discretion of the Fund Committee.

### Dr. Marc Omar Shokeir Memorial Fund

- Support annual lecture series (the "Dr. Shokeir Memorial Lecture Series") as well as Pathology resident education activities.

### Pathology & Laboratory Medicine Research Fund

- Support research undertaken in the Department of Pathology & Laboratory Medicine

Given that Endowment funds are made available as a result of a gift made by a donor to the Department of Pathology and Laboratory Medicine, we have a duty to report back to the donor on how these funds are used and display this information on our website. For these reasons, you will be required to provide a one-page written summary about the grant, including information regarding the impact it has had on your training and profession. This report must be submitted, no later than 14 days after the date funds were used. This report can be submitted to the Pathology and Laboratory Medicine main office, RUH 2841 or emailing:
