CASE REPORT ID: _____

Prepared by: _____

1. Describe a case situation from your own experience that included issues related to the Professional Role.

2. In this case what are the Professional Role issues/problems?

3. What was (or should be) the action plan (e.g. who, what, how, when)? What is the desired outcome(s) or solution(s)?

4. Which elements of the process(s) and outcomes of this case/situation were
 - a. Done very well (i.e. little, no improvement needed)
 - b. Met expectations (i.e. but would benefit from some improvement)
 - c. Need improvement (i.e. need significant change in approach or considerable improvement)
 - d. Overall: what's your view about this case?

5. What are some concrete changes (i.e. what you would start or stop) for action in a similar future case/situation?

6. Reflect on your role and document any next steps that would lead to an improvement or development of your professionalism skills?

APPLIES TO PERIOD: FROM _____ TO _____

#	Area (i.e. identity development, professionalism issues management, professionalism behaviours, personal health, resilience and wellness)	Goal(s) or objectives including timeframe	Metrics or criteria for success	Key next steps, resources, supports for success
