

Please check the timetables on the School of Physical Therapy website for updates closer to the start of classes in August. The [timetables and exam schedules](#) are located on the SPT website under the top banner “Students”, scroll down to MPT Students

These timetables should be referred to as the most updated versions as new ones will be posted as changes are made. Each timetable has a revision date to facilitate identification.

Please note that the first three weeks of classes, during Module 1a, there is a different timetable for each week.
