STUDENT MEDICAL SOCIETY OF SASKATCHEWAN (SMSS) SMSS Fee Outline

Hi all,

Congratulations to the class of 2029! We're super excited to meet all of you this upcoming year through some of the events and initiatives facilitated by the SMSS.

The \$500 SMSS fee is a one-time fee for incoming students. We understand that the SMSS fee is a large amount and may leave many scratching their heads about the utilization of the fees. The breakdown for the use of the funds are as follows:

- \$50: 4th year graduation celebration for the class of 2029. Approximately \$5000 is set aside for your graduation.
- \$100: Canadian Federation of Medical Students (CFMS) dues. The CFMS plays a role in promoting medical student wellness, connecting students together across the country, and providing member services like discounts on hotel/car/travel, textbooks, and even WestJet rebates. As well, the CFMS provides resources for the residency match, including the CFMS matchbook, residency interview support, and transition to residency guide.
- \$350: SMSS General Funding Pool. This equates to \$87.50 per year to take part in events like welcome week and a multitude of other events held throughout the year for the student body. Participation in student groups, and SMSS council/executive is also contingent on paying SMSS fees. Students that do not pay the fee are not eligible to participate in student events, student groups, run for SMSS council/executive positions, and results in ineligibility for expense reimbursements, SMSS travel awards, and student initiative awards.

If you have any questions about the fee or other finance related questions, feel free to reach out to us at treasurer.smss@gmail.com.

Best regards,
The SMSS executive
