

# 2021 Dean's Summer Research Projects

## APPLICATION PROCESS & TIMELINE

The call for projects is released to all CoM faculty. If using Cancer Agency data, a completed data request form is also required with the project proposal.

Proposals submitted by faculty are sent to adjudicators.

Faculty are notified of proposal success and begin securing appropriate approvals (operational, ethics, community etc.)

Once agreeing to work together, a signed **student-supervisor agreement** must be submitted to the OVDR.

**Faculty are responsible** for applying for necessary approvals to conduct the project: ethical, community or operation approvals, and data requests. **Failure to do so will result in project delays.**

**Mid-point reports** are due via Survey Monkey.

**Final reports** are due via Survey Monkey. **Project posters** and **abstracts** are due via email.

Project proposals are to be submitted to the OVDR and data request forms are to be submitted to the SCA by 4:00 pm.

Deadline for Cancer Agency DAC to provide approval letters to U of S.

Successful proposals are posted on the deans project google drive for student viewing. Students interested in a project are to contact faculty members to express their interest and interview.

If project involves Cancer Agency data, supervisor must inform the Cancer Agency of the name of the student working on the project.

**PROJECTS BEGIN!**

All projects must be completed by Aug 31st.

*Undergraduate Research  
Showcase to be held virtually,  
1 - 4 pm, October 20, 2021*
