

Start Up Funding Process and Responsibilities

RESEARCH START-UP FUNDING

College of Medicine Start-up Funding for all new hires must be negotiated at the time of hire. No applications for funding will be processed after hire.

Refer to the 2020 Faculty Start-Up Funding Program Guidelines for details.

AT TIME OF POSTING

INFORM OVDR OF INTENTION TO RECRUIT

Before posting hire, notify OVDR of intention to hire faculty and any anticipated needs for start-up support.

NEGOTIATING HIRE

REQUEST START-UP FUNDING SUPPORT

Support fund requests are presented to the OVDR Research Executive Committee by the department head during the negotiation process with prospective faculty.

After consideration of application by the Committee, the OVDR will provide a formal letter of notice directly to the potential faculty member and copied to the department head.

AFTER HIRE

CONNECT OVDR AND NEW FACULTY MEMBER

The OVDR will support on-boarding and development of new hire.

POST-FUNDING

REPORTING

Successful recipients of Start-up Funding will report research progress, spending to date, and planned expenditures.
