VIRTUAL GRAND ROUNDS

Dr. Tito Daodu

EDI in Surgery: Bridging the Gap

Dr. Tito Daodu is a Pediatric Surgeon at Alberta Children's Hospital in Calgary. She was born in Nigeria and raised in Winnipeg, where she attended medical school at the University of Manitoba. She completed her residency and fellowship in Calgary and a Master's in Public Health at the Harvard T.H. Chan School of Public Health. Dr. Daodu is passionate about Health Equity, promoting justice, and anti-racism in medicine. She has been actively involved in Public Health and Anti-Racism Research, focusing on improving surgical outcomes and making surgical care more equitable and accessible in Canada and worldwide.

Objectives of Lecture:

Review core concepts of equity, diversity, and inclusion (EDI); Discuss the relevance of EDI to surgical professions; Identify steps toward expanding EDI in Surgery.

Thursday, October 24th, 2024 at 5:00 PM

Grand Rounds will be available via ZOOM Network, please contact the Department of Surgery

This is an Accredited Group Learning Activity as defined by the Maintenance of Certification Program (MoCOMP) of the Royal College of Physicians and Surgeons of Canada. For further information contact the Department of Surgery at 306.966.8641 or email surgery.dept@usask.ca
