Dr. Paul Fedak

Beyond Burnout: Reclaiming Meaning and Humanity in Surgical Practice

Paul W.M. Fedak is a cardiac surgeon, scientist, and writer based in Calgary, Alberta. He previously served as Director of the Libin Cardiovascular Institute at the University of Calgary and as Clinical Department Head of Cardiac Sciences with Alberta Health Services. His research and leadership have shaped innovative approaches to cardiac repair, surgical training, and healthcare culture. After experiencing a life-changing injury, Dr. Fedak turned his focus to exploring identity, healing, and presence in medicine through writing and storytelling.
