# GRAND ROUNDS

## Dr. Gillian Hawker

### Evidence-Based Management of Hip and Knee Osteoarthritis

Dr. Hawker is the Sir John and Lady Eaton Professor and Chair of the Department of Medicine at the University of Toronto, a Rheumatologist/Clinician Scientist at Women's College Hospital and a Senior Scientist at the Women's College Research Institute. She holds cross-appointments to the Institute for Health Policy, Management and Evaluation, Dalla Lana School of Public Health, University of Toronto, and at the Institute for Clinical Evaluative Sciences. Her research focuses on addressing gaps and disparities in access to and outcomes of care for people living with osteoarthritis. Her research has been important in elucidating criteria for patient appropriateness for total joint replacement surgery in OA and the relationship between walking difficulty due to OA and other common chronic conditions, e.g., cardiovascular disease and diabetes. She has published over 300 peer-reviewed articles and was the 2020 recipient of the International Osteoarthritis Research Society's Clinical Research Award.
