GRAND ROUNDS

Dr. Patrick McDonald

Ethical Issues in Surgical Innovation and the Introduction of Novel Technology

Dr. Patrick McDonald is a pediatric neurosurgeon and Head of the Section of Neurosurgery at the University of Manitoba. He did his neurosurgery residency and pediatric neurosurgery fellowship in Toronto before moving to Winnipeg where he worked at HSC from 2002-2015. He returned to Winnipeg in 2021 after 6 years as Head of Neurosurgery at BC Children's Hospital. He has a Masters degree in bioethics and is on faculty at Neuroethics Canada at the University of British Columbia. Dr. McDonald is Chair of the Royal College Ethics Committee and Vice Chair of the Neurosurgery Specialty Committee. His research focuses on ethical issues in the adoption of innovative neurosurgical procedures, conflicts of interest and outcomes in pediatric hydrocephalus.
