

CPR & FIRST AID REQUIREMENTS FOR MEDICAL STUDENTS

General information

- The College of Medicine requires that all students entering the College of Medicine complete and provide documented proof of *CPR for Health Care Providers (Level HCP)* as well as *Standard First Aid*.
- Completion of the CPR and First Aid requirements is the responsibility of the student as well as any associated costs.

CPR and First Aid Instructions for Students Entering Year 1

1. Incoming MED students are required to complete *CPR for Health Care Providers (Level HCP)* as well as *Standard First Aid* before their two pre-clerkship years. Please provide copies of your certification to the UGME (B526) office by September 14, 2018. Your certification must remain valid until June 1, 2020.
2. We understand that you may have already completed these requirements or plan to complete them independently. We recommend that you confirm that your certification meets the requirements of the College of Medicine prior to Orientation on August 8, 2018.
3. To help facilitate the process, the College of Medicine has reserved several dates for the course with SHARALIFE FIRST AID INC.

The cost for completing this course with SHARALIFE is \$105/student.

We have reserved three weekends for MED Students on a first come, first serve basis:

- August 18 & 19
- August 25 & 26
- September 1 & 2

This is a two day course that runs from 9:00-5:00 each day. To register through SHARALIFE, please contact Sarah at (306) 244-4517 and specify that you are an incoming MED Student.
