

## How to Join a Zoom session Through Canvas course

**Prerequisite:** You must have accounts for both Usask Zoom and Canvas

Step 1: Go to <https://canvas.usask.ca/>. Select your Canvas course from dashboard.

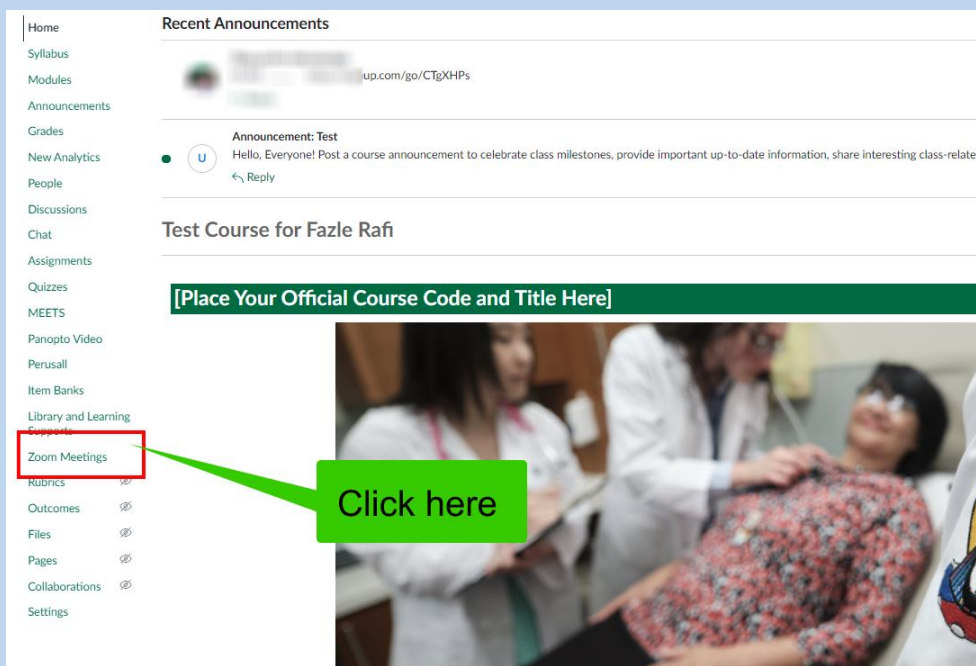

The screenshot shows the Canvas dashboard with a grid of course cards. A red box with a '1' points to the top navigation bar. A red box with a '2' points to a course card titled 'ECUR 000 test\_far419'. A green box with the text 'Select the course from your dashboard' points to the same course card. A red box with a '1' points to the top navigation bar. A red box with the text 'Login to <https://canvas.usask.ca/> using your NSID and password' points to the top navigation bar.

**Tip:** If you have not installed zoom in your pc yet, and did not claim usask zoom account please follow the links.

Step 2: Click to “Zoom Meeting” in course navigation bar

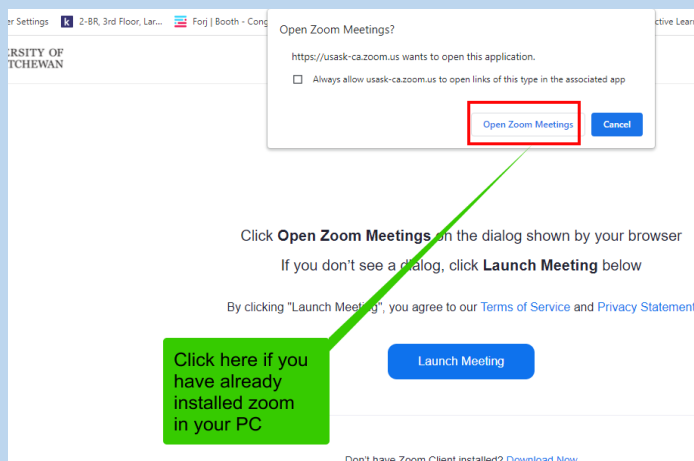

The screenshot shows the Canvas course navigation bar on the left side of the page. The 'Zoom Meetings' option is highlighted with a red box. A green box with the text 'Click here' points to the 'Zoom Meetings' option. The main content area shows 'Recent Announcements' and a 'Test Course for Fazle Rafi' section with a placeholder for a course code and title.

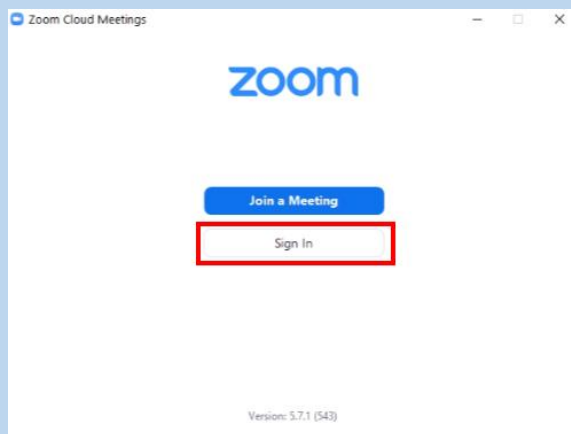

### Step 3: Select your zoom session

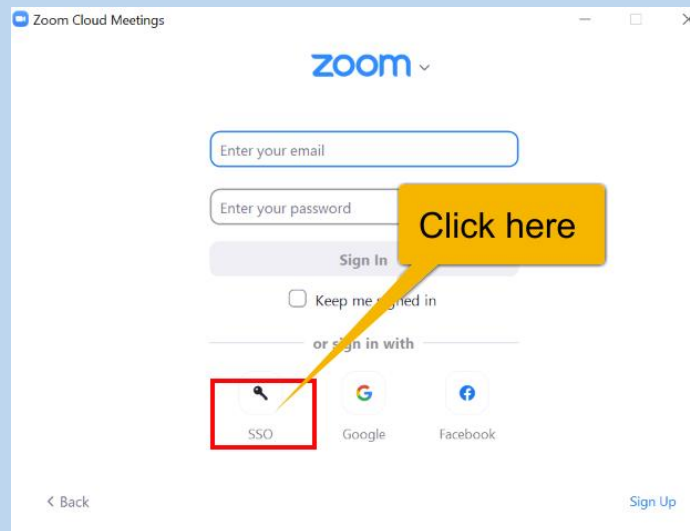

### Step 4: Click "Open Zoom Meetings"

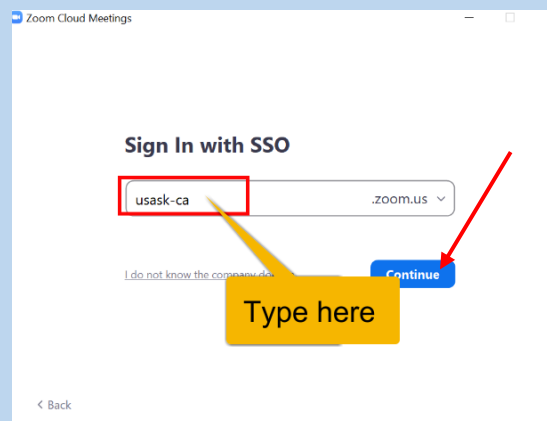

### Step 5: Zoom application should launch. Click **Sign In**.

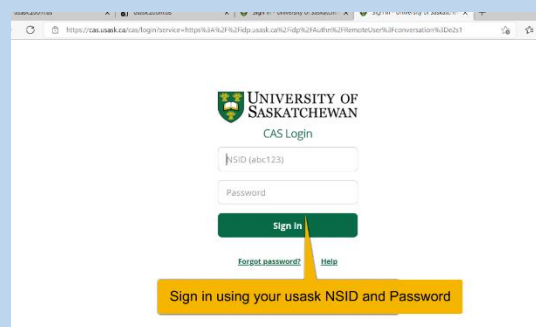

Step 6: Click on sign in with SSO

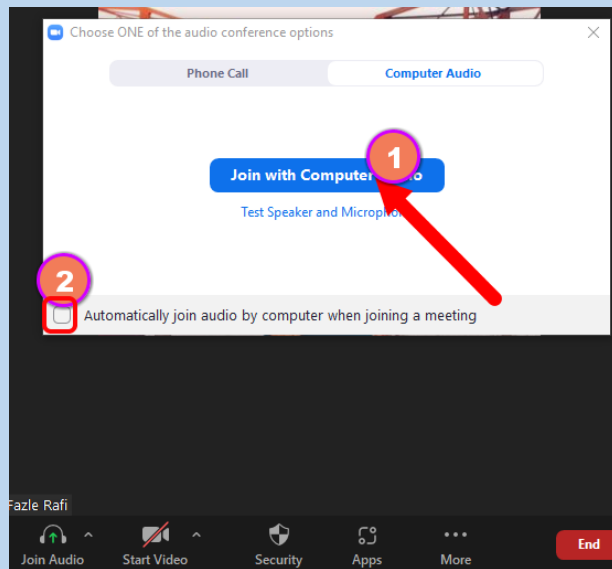

Step 7: Enter usask-ca for your company domain.

Step 8: It will then take you to USask SSO. Enter your NSID and password

You have successfully joined to the Zoom meeting.
