

# Medicine & Society I

---

MEDC 132  
YEAR 1 TERM 1

---

 **COURSE SYLLABUS**  
2024/2025

UNIVERSITY OF SASKATCHEWAN  
**College of Medicine**  
UNDERGRADUATE MEDICAL EDUCATION  
MEDICINE.USASK.CA

## LAND ACKNOWLEDGEMENT

*As we engage in teaching and learning, we acknowledge we are on Treaty Six and Treaty Four Territory and the Homeland of the Métis. We pay our respect to the First Nation and Métis ancestors of this place and reaffirm our relationship with one another. We recognize that in the course of your studies you will spend time learning in other traditional territories and Métis homelands. We wish you safe, productive and respectful encounters in these places.*

## Medicine and Society I – Course Overview

### COURSE DESCRIPTION

This course, *Introduction to Patients, Health, and Medicine*, is the first of four courses in the Medicine and Society series (*followed by Population Health and Preventative Medicine; Meeting Patient Needs through the Health Care System; and Physician Roles and Leadership*). In this course, students explore concepts of the biopsychosocial model, health and illness, patient- and family-centered care (PFCC), Indigenous health and healing, culture, life course, resilience, physician roles and ethics.

Completion of this course will contribute to attaining elements of the overall undergraduate program objectives ([Program Learning Objectives](#)).

The Medicine and Society I course includes the following modules: (1) Patient-and-family-centered care (PFCC), (2) Experiences in the community (EC), and (3) Ethics. Please see descriptions below for further details.

### OVERALL COURSE OBJECTIVES

By the completion of the Medicine and Society I course, students will be expected to:

1. Describe the impact of applying a biopsychosocial approach to understand health and provision of care.
2. Identify interpersonal and organizational changes required to achieve patient and family centered care (PFCC).
3. Analyze culturally safe health care, especially for Indigenous peoples and minority groups.
4. Recognize the roles of physicians in society.
5. Identify how personal and systemic biases affect the well-being of individuals and contribute to health.
6. Identify how systemic racism affects the well-being of individuals and contributes to health.
7. Demonstrate ethico-legal reasoning.

All learning objectives (course, module, and session) can be accessed on the College of Medicine/Curriculum website under the appropriate year and course. A print version is also available. Please access the link below for the most current objectives.

<https://elentra.usask.ca/community/ugmecurriculum>

Information on literal descriptors for grading in the College of Medicine at the University of Saskatchewan can be found in the [Student Information Guide – Pre-Clerkship – Student Assessment Section](#).

More information on the U of S Academic Courses Policy relating to course delivery, examinations and assessment of student learning can be found at: <http://policies.usask.ca/policies/academic-affairs/academic-courses.php>. College of Medicine specific policies and procedures for course delivery, exams and assessment can be found on the [Policies, Procedures and Forms](#) page of the College of Medicine website.

The University of Saskatchewan Learning Charter is intended to define aspirations about the learning experience that the University aims to provide, and the roles to be played in realizing these aspirations by students, instructors, and the institution. A copy of the Learning Charter can be found at: [Learning charter - Teaching and Learning | University of Saskatchewan \(usask.ca\)](#)

## COURSE CONTACTS

Course Director: Dr. Nnamdi Ndubuka: [nnamdi.ndubuka@usask.ca](mailto:nnamdi.ndubuka@usask.ca) – (306) 961-4245

Course Chair: Dr. Juan-Nicolas Peña-Sanchez: [juan-nicolas.ps@usask.ca](mailto:juan-nicolas.ps@usask.ca) – (306) 966-5727

Pre-Clerkship Program Coordinator: Sonja MacDonald – [sonja.macdonald@usask.ca](mailto:sonja.macdonald@usask.ca) – (306) 966-5354

Pre-Clerkship Coordinator (Regina): Meghan Nelson – [meghanemily.nelson@saskhealthauthority.ca](mailto:meghanemily.nelson@saskhealthauthority.ca) (306) 766-0546

Administrative Assistant: Jaclyn Dalsgaard – [ugme.year1@usask.ca](mailto:ugme.year1@usask.ca) – (306) 966-7202

## COURSE SCHEDULE

Please check One45 DAILY to ensure the most current schedule information. The latest a change can be made to a session (unless it is a true emergency) is 48 hours in advance of the scheduled sessions. If changes are made to a session which has already been scheduled in One45, affected students will be notified directly via email.

## INDEPENDENT LEARNING

Many sessions will include active group discussions where pre-readings have been assigned. It is very important that students come to class prepared, having carefully read the assigned materials. Reading materials will be available on One45. Many classes, including the invited panel presentations, are based on the preparation material, and deeper understanding of the in-class sessions is facilitated through preparation.

## COURSE DELIVERY

Course materials will be posted to One45. Assignment details will be posted on Canvas. In addition to in-class learning, first year Medicine and Society courses include two experiential learning modules, PFCC and EC. Both of these modules extend past Term 1 and into Term 2, (see Modules below). Mandatory sessions will be indicated on One45.

## COURSE RESOURCES

The course resources, including slides and materials for reading/viewing, will be posted on One45. See individual Module Package for module details. Group assignments, lecture notes and pre-reading will be [posted on One45](#). Assignments will be posted on Canvas.

If you are having difficulty accessing your account, please contact Student Central (306) 966-1212 or contact IT Services Help Desk (306) 966-2222.

## ASSESSMENT OVERVIEW

Assessment	Due Date: Indicated Below	Due Time: 23:59
<b>Medicine and Society General</b>		
Inter-cultural Development Inventory	<b>Completion*</b>	August 14, 2024
Indigenous Health and Wellness Experience (Mandatory Attendance on the assigned date and time)	<b>Completion*</b>	See One45 for dates
<b>Assessment 1 – Indigenous Health and Wellness Reflection</b>	<b>Pass**</b>	October 4, 2024
<b>Assessment 2 – Othering and Stigma</b>	<b>Pass**</b>	October 25, 2024
<b>Assessment 3 – Your Credo</b>	<b>Pass**</b>	November 8, 2024
<b>Patient &amp; Family Centered Care (PFCC) Module – Term 1</b>		
Attend TWO Patient Family Partner (PFP) Sessions in Term 1 (Mandatory Attendance on the assigned date and time)	<b>Completion*</b>	See One45 for dates
Attend ONE Real People, Real Experiences (RPRE) Session in Term 1 (Mandatory Attendance, see IPECT for schedule)	<b>Completion*</b>	November 28, 2024
<b>Ethics Module</b>		
Tutorial Course on Research Ethics – CORE	<b>Completion*</b>	August 30, 2024

<b>Assessment 4 – Ethics Essay</b>	<b>Pass**</b>	November 25, 2024
<b>Experiences in the Community (EC) Module – Term 1</b>		
<p>The Community Experience (CE) is a mandatory 1 week clinical/community immersion experience.</p> <ul style="list-style-type: none"> <li>• Community Experience Proposal</li> <li>• Students who are selected for the optional <a href="#">Community Services Learning Program (CSLP)</a> are waived of the requirement to complete the CE.</li> <li>• Students who are selected for the CGH (Certificate in Global Health) are waived of the requirement to complete the CE.</li> </ul>	<p><b>Completion*</b></p> <p>NA</p> <p>NA</p>	<p>October 18, 2024</p> <p>CSLP Application due August 30, 2024</p> <p>CGH Application due August 21, 2024</p>
<b>Examinations</b>		
<ul style="list-style-type: none"> <li>• <b>Final Exam of Medicine and Society</b></li> </ul>	<b>Pass**</b>	December 3, 2024

\**Completion* - entails completion of the activity or attendance at all mandatory sessions with active participation.

\*\**Pass* - student must achieve *minimum pass criteria* in the appropriate assessment.

*It is the student’s responsibility to ensure assignments are successfully submitted prior to the deadline. Canvas returns a note confirming assignments were successfully uploaded.*

**ASSESSMENT COMPONENTS**

**Assignments**

All assignments require critical analysis, informed by citing and discussing relevant course materials and readings. A critical analysis involves the student’s positive, negative, or mixed scholarly comments. For more details, see Canvas.

*Assessment #1: Indigenous Health and Wellness Reflection*

Description: A written reflection of your Indigenous Health and Wellness experience. The assignment description, details, and rubric will be posted on Canvas.  
*For due date(s) see Assessment Table above.*

*Assessment #2: Othering and Stigma – The Culture Police*

Description: This is a commitment to engage in a dialogue through a discussion group on Canvas. You

should start this assignment early in the course to meet all expectations without issue. This assignment will focus on taking a thoughtful look at society, systems and structures. The assignment description, details, and rubric will be posted on Canvas.

*For due date(s) see Assessment Table above.*

**Assessment #3:** *Your Credo*

Description: The assignment will help students summarize and synthesize many course concepts and consolidate their commitment to good medical practice going forward. The assignment description, details, and rubric will be posted on Canvas.

*For due date(s) see Assessment Table above.*

**Assessment #4** *(Ethics Module – Term 1): Essay*

Description: Written essay focused on ethical principles, guidelines, and an understanding of ethical problems. See Canvas for details and marking rubric.

*For due date(s) see Assessment Table above.*

**Other Course Components**

*Inter-cultural Development Inventory Completion*

Description: Completion of the Inter-cultural Development Inventory (IDI) to assess both individual and group cultural competency. Further details will be given in the first class of the course.

*For due date(s) see Assessment Table above.*

*Indigenous Health and Wellness Experience*

Description: The date and time for this experience will be announced at the beginning of the term. Please note that arrangements to commute need to be made. All students are required to attend this experience as part of the course. This experience supports Assessment #1.

Location: Saskatoon: Wanuskewin Heritage Park, Penner Rd, Saskatoon, SK S7K 3J7  
Regina: First Nations University of Canada; 1 First Nations Way, Regina, SK S42 7K2

*For date(s) see One45 schedule.*

*Patient Family Partner Sessions 1 and 2*

Description: See Patient and Family Centered Care Handbook

*For due date(s) see One45 schedule.*

*Real People, Real Experiences Session*

Description: All students are required to participate in one Real People, Real Experiences (RPRE) Session per term. See <https://healthsciences.usask.ca/education-and->

[research/collaborative-practices-blog/2023-blog-posts/real-people-real-experiences.php](https://research/collaborative-practices-blog/2023-blog-posts/real-people-real-experiences.php) for more information.

Location: On-line via IPECT. Note: Self-scheduled by end of term. Session availability is at <https://usask.ipect.app/student/events> limited.

*For due date(s) see Assessment Table above.*

#### *Tutorial Course on Research Ethics – CORE-2022*

Description: All students are required to successfully complete the Tutorial Course on Research Ethics – CORE-2022 (<https://tcps2core.ca/>). The certificate obtained after completing this online course should be submitted through Canvas. Students who completed this tutorial previously do not need to repeat the course. They can upload their existing certificate.

*For due date(s) see Assessment Table above.*

#### *Experiences in the Community Module*

Description: Demonstration of appropriate participation in the Community Experience (CE), Community Service Learning Program (CSLP) or Certificate in Global Health (CGH) or appropriate planning for activities in the subsequent term(s), as relevant to the option selected, is required to successfully complete the M&S I course.

- The reflective assignment for CE is due following completion of the CE, which occurs in Term 2. Details of sign-up deadlines for the CE in Term 1 will be shared at orientation and in One45.
- Details of required assignments for co-curricular options (CSLP and CGH) will be shared at orientations for those options.

#### **Final Exam**

Description: The final examination focuses on the Medicine and Society general sessions, excluding the content of the Ethics, and EC modules. The final examination will focus on the students' ability to *understand* and *reflect* upon the themes of the course. It will be a closed-book examination, meaning there will be NO access to course materials or any other resources while completing the examination. Further details about the final exam will be provided in the first class of the course.

*For exam date see the Assessment Table above.*

#### **EXAM PROCTORING**

Exams will be completed in-person. The program may determine specific exceptional circumstances in which examinations during this course be delivered remotely. In that event, proctoring software or other remote invigilation methods will be employed concurrently during the examination to ensure academic integrity of the assessment.

### **MIDTERM AND FINAL EXAMINATION SCHEDULING**

Midterm and final examinations must be written on the date scheduled. Students should avoid making prior travel, employment, or other commitments for in-term exams and final exams. If a student is unable to write an exam through no fault of their own for medical or other valid reasons, they should refer to the College of Medicine [Deferred Exam policy and procedure](#).

### **RUBRICS**

Where applicable, rubrics for all assignments will be posted on Canvas for the relevant session.

### **COURSE POLICY FOR SUCCESSFUL COMPLETION AND REMEDIATION**

For successful course completion and for the purposes of promotion, students must complete and pass all course requirements. Students are expected to complete all assignments, and meet all requirements of the PFCC, Ethics, and EC Modules. Students not promoted as a result of being unsuccessful in the course will receive a grade of “F” on their transcripts.

### **REMEDICATION AND COURSE FAILURE**

If a student does not complete all the assessments or does not meet the course requirements, they will be required to meet with the Course Director and/or Course Chair and Academic Support Team to identify areas of weakness and develop a structured remediation and learning plan, and to complete supplemental assessment. After the final examination period, the implications of failing to successfully complete course assessment/requirement will be adjudicated at the Year 1, Term 1 Promotions Committee and a final decision to grant remediation/supplemental work will be determined by the Student Academic Management Committee.

A maximum of two failed assessments/requirements will be allowed to be remediated. A maximum of one remediation/supplemental attempt will be offered per assessment. Failure of more than two assessment/requirements or any supplemental assessments will result in a course failure.

Students can be deemed unsuccessful on any course assessment for not achieving course expectations of professionalism. This would include, but is not limited to, submission of late assignments. Late submissions will be marked as per the UGME Assignment Submission Policy. Consequently, late submissions could be marked as “fail” and might be considered as a missing course requirement. Students failing to meet professional expectations in the course should anticipate a meeting with the Module/Course Directors and/or Year Chair to discuss the concern, which may result in associated documentation as per the UGME Procedures for Concerns with Medical Student Professional Behavior.

Note that late submissions will be marked as per the UGME [Assignment Submission Policy](#). Consequently, late submissions could be marked as “fail” or considered as a missing course requirement. In addition, students with late submissions might be required to meet with the corresponding course or module director.

### **ATTENDANCE EXPECTATIONS**

**What are the expectations for attendance in Medicine and Society I?**

It is expected that students will attend all sessions unless absence is unavoidable.

Attendance at small group sessions is mandatory. (See One45)

Attendance for all other sessions falls under the regulations of the [Pre-Clerkship Attendance and Absence Policy](#).

For some remote sessions, the Course or Module Director will require cameras to be turned on as part of attendance.

**How is attendance documented?**

Attendance will be taken at mandatory sessions.

If a student must be absent, they should contact their course administrative support person in the UGME as soon as possible, complete the [application for absence form](#), and cc the course and/or module director. (See the contact list at the beginning of the syllabus or check your Canvas course.)

**What are the implications of being absent?**

Students who do not attend mandatory components without appropriate approval or without the appropriate notification steps in the event of an unplanned absence (see [Pre-Clerkship Attendance and Absence Policy](#)) will be asked to meet with the Course and/or Module Director to discuss professionalism, with associated documentation.

It is the responsibility of students to ensure they meet all module and course requirements. If a student must miss a mandatory session, they should request guidance from their course and/or module director on how to independently make up any material missed regardless of the reason for the absence. Sessions will not be rescheduled, and additional sessions will not be offered to make up missed material.

Absences may be reflected in the final grade and may constitute grounds for failure of the course, even if the student has passed other assessments.

**COURSE EVALUATIONS QUALITY IMPROVEMENTS**

The following changes reflect course quality review recommendations and student feedback:

1. The class schedule organization was revised to ensure that session blocks are delivered either in person or online to minimize disruptions.
2. The deadlines of the course assignments have been adjusted across the term.

## PFCC Module: Patient & Family Centred Care Learning Experiences (10 hours)

### MODULE DIRECTOR

Dr. Krista Baerg – [dr.kbaerg@usask.ca](mailto:dr.kbaerg@usask.ca) – (306) 220-6859

### MODULE DESCRIPTION

This module provides students with authentic experiences of health and health care from the perspective of patients. The student will seek to understand the patient/family experience and implications for future practice. This experiential learning module encourages reflective practice and builds on available learning opportunities.

The four pillars of patient- and family-centered care are explored within the care delivery context, considering the continuum of patient engagement and factors influencing patient engagement. Note: for the purposes of this module, the terms “patient” and “client” are used interchangeably.

This longitudinal Year 1 experience extends over Term 1 and 2. An introductory seminar in Term 1 introduces students to key concepts related to patient- and family centered care. Students participate in Patient Family Partner (PFP) sessions and Real People, Real Experiences (RPRE) sessions over term 1 and 2 seeking to understand the patient/family experience and consider implications for future practice.

By completing the term 1 PFCC module, students will meet the course level objective, “Identify interpersonal and organizational changes required to achieve patient and family centered care”.

Completion of this module will contribute to attaining elements of the overall undergraduate program objectives ([Program Learning Objectives](#)).

### MODULE OBJECTIVES

By the completion of this module, students will be expected to:

1. Recognize factors impacting expression of the pillars of patient- and family-centered care (PFCC) at the interpersonal level.
2. Recognize organizational changes required to advance from system-centered care to achieve patient- and family-centered care (PFCC).
3. Assess factors impacting expression of the pillars of patient- and family-centered care (PFCC) at the interpersonal level.
4. Suggest organizational changes required to advance from system-centered care to achieve patient- and family-centered care (PFCC).
5. Develop a plan to integrate patient- and family-centered care (PFCC) and patient engagement principles into your future practice.

### MODULE SCHEDULE

The schedule will be posted on One45. The latest a change can be made to a session (unless it is a true emergency) is 48 hours in advance of the scheduled sessions. Since Patient Partners are engaged in program delivery, last minute changes may occur. Please check One45 WITHIN 24 HOURS OF YOUR

SESSION to ensure the most current schedule information. If changes are made to a session which has already been scheduled in One45, affected students will be notified directly via email by the UGME Office.

### INDEPENDENT LEARNING

During the course module, protected time for independent learning has been set aside to allow students to attend and participate in independent learning sessions.

### MODULE DELIVERY

This longitudinal module extends over term 1 and 2 with discrete requirements in each term. In each term, students will have Patient Family Partner sessions (see course schedule, attendance sign-in required) and attend Real People, Real Experiences (RPRE) sessions to hear the patient perspective and to participate in interprofessional discussion (see online schedule, limited availability, activity completion required).

### PATIENT FAMILY PARTNER SESSIONS

These mandatory sessions are scheduled during class time (see One45). For more information on session objectives and required preparation, refer to the module handbook. During these sessions, it is required that students keep their video on per the request of patient partners.

### REAL PEOPLE, REAL EXPERIENCES SESSIONS

More information on Real People, Real Experiences (RPRE) is available at <https://healthsciencetest.usask.ca/education-and-research/collaborative-practices-blog/2023-blog-posts/real-people-real-experiences.php>. The session schedule and link to sign-up on IPECT is available at <https://usask.ipect.app/student>. Students are encouraged to review the schedule early in the term. Sessions are offered on-line approximately once per month, September through November. Attendance is tracked through completion of the on-line tasks at the session. Students must upload their activity submission on Canvas for credit.

### Supplementary PFCC Shadowing Experience\*\*

Students may arrange a shadowing experience with their advisor. Shadowing must be arranged with your assigned PFCC Advisor or through Heather Thiessen. Students may allocate up to 2 hours of their total 10-hour shadowing requirement to attend an appointment or treatment with their PFCC Patient Advisor. *Please ensure your advisor and Dr. Baerg have a minimum 48 hours' notice and all mandatory PFCC requirements are met.*

\*\*Optional, prior approval required

### MODULE RESOURCES

- Introduction to PFCC lecture posted on One45
- Institute for PFCC at [www.ipfcc.org](http://www.ipfcc.org)
- Patient First Review Update and Patient Experience Case Studies, Government of Saskatchewan - <https://www.saskatchewan.ca/government/health-care-administration-and-provider-resources/saskatchewan-health-initiatives/patient-first-review>
- Framework for Patient Engagement by Carman et al at

## MODULE ASSESSMENT

MODULE REQUIREMENTS TERM 1 (MEDC 132):

- Attend TWO Patient Family Partner Sessions – attendance recorded
- Attend ONE Real People, Real Experiences (RPRE) Session – documentation required

See Module Package for details.

## EC Module: Experiences in the Community

### MODULE DESCRIPTION

Details regarding the Experiences in the Community Module options will be provided during an orientation in the Medicine & Society I course – see One45 for scheduling details. The Community Experience (CE) is a mandatory 1 week clinical/community immersion experience. Students who are selected for the optional Inter-professional Community Services Learning Program (CSLP) are waived of the requirement to complete the Community Experience. At the end of Term 1, each student must be enrolled in one of the streams; CE, CSLP or CGH.

Demonstration of appropriate participation in the CE, CSLP or CGH, or appropriate planning for activities in the subsequent term(s), as relevant to the option selected, is required to successfully complete the M&S I course. Specific assessment description details are provided on One45 (or on the CGH website for CGH).

### MODULE LEVEL OBJECTIVES

1. Describe how various physician (CanMEDS) roles can contribute to the overall well-being and health of patients, families, communities, and populations.
2. Discuss factors that impact patients and communities encountered during your experience.

### MODULE REQUIREMENTS

Application deadlines are noted below. Note that option C has space limitations.

- A. 1-Week Community Experience (CE): A mandatory 1-week clinical observership experience in a rural/remote or urban underserved community generally completed in May/June. See documents posted to One45 for more details.

Faculty Lead: Dr. Olukayode Olutunfese - [olukayode.olutunfese@saskhealthauthority.ca](mailto:olukayode.olutunfese@saskhealthauthority.ca)

Timing/Duration: 40 hours after the end of Term 2

The Community Experience Proposal is due on One45 by **October 18, 2024 @ 11:59Hrs.**

Note: Students selected for one of the two optional programs listed below are waived of the requirement to complete the Community Experience.

- B. Community Service Learning Program (CSLP): A longitudinal volunteering experience doing non-clinical work with a community-based organization serving people in underserved communities. See documents posted to One45 for more details and on Canvas for assignment information. Students completing this program will receive a letter of completion.

Faculty Lead: Dr. Olukayode Olutunfese - [olukayode.olutunfese@saskhealthauthority.ca](mailto:olukayode.olutunfese@saskhealthauthority.ca)  
Timing/ Duration: 45 hours over Terms 1 and 2 (October-March)

Timing/Duration: 45 hours over Terms 1 and 2 (October-March)

The CSLP Application is due by **August 30, 2024 @ 11:59Hrs.**

- C. Certificate in Global Health (CGH): Combines academic courses and experiential learning in marginalized, underserved communities locally and globally.

Faculty Lead: TBA

Administrative Coordinator: Carlyn Seguin ([carlyn.seguin@usask.ca](mailto:carlyn.seguin@usask.ca))

Timing/Duration: runs over Years 1 & 2 with a community-based experience each summer

For more information and how to apply please email Carlyn Seguin directly.

### MODULE ASSESSMENT OVERVIEW

Successful completion of the Community Experience requires:

- Completion of the one-week clinical immersion experience.
- Evidence of satisfactory participation in clinical learning experiences on the assessment form completed by the CE supervisor(s).
- Satisfactory completion of a reflective assignment (approximately 250 words) due within 2 weeks of completion of the experience (pass/fail).

Note: CSLP and CGH each include reflective activities and assessments; assessment details will be provided in the program orientation and materials.

Since this module extends beyond Term 1, required assessments may occur after completion of Term 1.

### MODULE ASSESSMENT COMPONENTS

Specific assessment details will be provided in orientation and Canvas as noted at the orientation.

### ACKNOWLEDGEMENT

The UGME would like to acknowledge the Saskatchewan Medical Association (SMA) for their support of the Community Experience with their funding of physician remuneration and emergency student housing.

## Ethics Module

### MODULE CONTACTS

Module Director: Ryan Meneses – [r.meneses@usask.ca](mailto:r.meneses@usask.ca) – (306) 491-4636

### MODULE DESCRIPTION

This module is designed to introduce students to basic ethical topics in medicine, and to begin analyzing problems using the principles of biomedical ethics. This analysis sets the foundation for ethical reasoning in medicine and elucidates the ethical problem.

### MODULE OBJECTIVES

By the end of the module, students will be expected to:

1. Identify legal and ethical principles, theories, and issues relevant to practical clinical settings.
2. Demonstrate knowledge of conflicting ethical principles and diverse perspectives.
3. Analyze legal and ethical problems in a rational and logical manner.
4. Recognize personal biases and the impact of the student's own morals, beliefs and values.
5. Propose rationally justified solutions and approaches to legal and ethical issues.

### MODULE DELIVERY

Lecture-based sessions are designed to deliver information about approaches to ethical problem solving and to educate students about the legal and ethical requirements associated with certain aspects of patient care. Small group discussion sessions provide an opportunity for students to discuss and analyze ethical cases under the guidance of 1-2 facilitators and fellow classmates.

### MODULE ASSESSMENT

This assessment will focus on ethical principles, guidelines, and an understanding of ethical problems in a written essay of 750 words max. The details for this assessment will be posted on Canvas.

As part of this module, all students are also required to successfully complete the Tutorial Course on Research Ethics – CORE (<https://tcps2core.ca/>). The certificate obtained after completing this online course should be submitted through Canvas.

*For due date(s) see Assessment Table above.*

Doing Right: A Practical Guide to Ethics for Medical Trainees and Physicians, 3rd Edition by Philip Hebert (Oxford University Press, Toronto, 2009, ISBN 9780199005529). <https://sundog.usask.ca/record=b3526222>. The text can be purchased in the U of S Bookstore.

Sections in Case Workbook by Dr. K. Ogle on the Four Principles: Beneficence, Non-Maleficence, Autonomy, and Justice (Pages 11-17).

## **IMPORTANT AND RELEVANT STUDENT INFORMATION**

The following information is extremely important for your success in medical school. Please refer to the [UGME Policies](#) page and the [Student Information Guide](#) for the following policies:

### **UGME CONTACT INFORMATION**

### **EMAIL COMMUNICATIONS**

### **ETHICS AND PROFESSIONALISM**

### **PROGRAM EVALUATION**

### **GUIDELINES FOR PROVIDING FEEDBACK**

### **EMERGENCY PROCEDURES**

### **MD PROGRAM ATTENDANCE POLICY**

### **ASSESSMENT POLICY**

### **PROMOTION STANDARDS**

### **CONFLICT OF INTEREST**

### **NON-INVOLVEMENT OF HEALTH CARE PROVIDERS IN STUDENT ASSESSMENT**

### **APPEALS PROCEDURES**

### **STUDENT DISCRIMINATION, HARRASSMENT, AND MISTREATMENT PROCEDURE**

### **ACCOMMODATION OF STUDENTS WITH DISABILITIES**

### **TECHNICAL STANDARDS – ESSENTIAL SKILLS AND ABILITIES REQUIRED FOR THE STUDY OF MEDICINE**

<https://medicine.usask.ca/policies/com-technical-standards.php#relatedForms>

### **OFFICE OF STUDENT AFFAIRS**

Where a specific College of Medicine policy or procedure does not exist, the College refers to the U of S Academic Courses Policy at <http://policies.usask.ca/policies/academic-affairs/academic-courses.php>

## **UNDERGRADUATE MEDICAL EDUCATION ASSIGNMENT SUBMISSION POLICY**

Any assignment submitted after 23:59 SK time on the specified date is deemed late (unless otherwise specified).

All due dates or timelines for assignment submission are published in the student course syllabus<sup>1</sup>.

---

<sup>1</sup> Canvas routinely updates their systems on certain Wednesday evenings. In the event that Canvas is down for scheduled maintenance or due to technical difficulties, assignments are to be submitted by 0900 the following morning.

A late assignment may still be submitted up to three consecutive calendar days (72 hours) from the original deadline for that assessment. The assignment must be submitted to the appropriate year Administrative Coordinator in Saskatoon, or the Pre-Clerkship Coordinator in Regina for years 1-2. Years 3-4 must submit to the Rotation Coordinator. The student, if submitting a late assignment that is deemed to be at or above the pass mark for that assignment will receive the pass mark for the assignment. If it is assessed as below the pass mark, the student will receive the actual grade assigned for the assignment.

Any late assignments not submitted by 23:59 on the third day will receive a mark of 0%. After this period, all mandatory assignments must still be submitted, or the student will be deemed to be missing a course component, which will result in an incomplete course. Subsequent academic consequences will be determined at the promotions committee meetings.

In addition to the consequences specified herein, students submitting mandatory assignments late should anticipate a meeting to discuss professionalism, which may result in associated documentation.

**All requests for a deferral of an assignment due date must be received a minimum of 72 hours prior to the deadline.** All such requests must be sent to the Course Director or Rotation Coordinator and copied to the relevant Administrative Coordinator. The course director, in consultation with the year chair and appropriate course/module/rotation director will make a final decision and notify the student of the outcome. Exceptional, unforeseen circumstances will be considered on an individual basis as above.

#### **CITATION FORMAT**

Unless otherwise specified by the course or module director, the expected citation format is that of the International Committee of Medical Journal Editors (ICMJE). Examples of this citation format are available at [www.nlm.nih.gov/bsd/uniform\\_requirements.html](http://www.nlm.nih.gov/bsd/uniform_requirements.html)

#### **PROFESSIONALISM**

Students can be deemed unsuccessful on any course assessment for not achieving course expectations of professionalism. This would include, but is not limited to, any unapproved absences from a mandatory session, and/or submission of late assignments. Students failing to meet professional expectations in the course should anticipate a meeting with the Module/Course Directors and/or Year Chair to discuss the concern, which may result in associated documentation. For further information on professionalism, please refer to the UGME Procedures for Concerns with Medical Student Professional Behavior.

<http://medicine.usask.ca/policies/professionalism-standard-operating-procedure.php>

#### **RECORDING OF THE LECTURES**

Most lectures will be recorded and posted to the course Canvas site under Course Materials. However, each lecturer reserves the right to choose whether their lectures will be recorded. Lecture recordings are not intended to be a replacement for attending the session but rather to enhance understanding of the concepts.

Please remember that course recordings belong to your instructor, the University, and/or others (like a guest lecturer) depending on the circumstance of each session and are protected by copyright. Do not download, copy, or share recordings without the explicit permission of the instructor.

For questions about recording and use of sessions in which you have participated, including any concerns related to your privacy, please contact the UGME administrative coordinator for this course. More

information on class recordings can be found in the Academic Courses Policy <https://policies.usask.ca/policies/academic-affairs/academic-courses.php#5ClassRecordings>.

### REQUIRED VIDEO USE

At times in this course, you may be required to have your video on during video conferencing sessions, to support observation of skills, to support group learning activities, or for exam invigilation. It will be necessary for you to use of a webcam built into or connected to your computer.

For questions about use of video in your sessions, including those related to your privacy, contact your instructor.

### COPYRIGHT

Course material created by your professors and instructors is their intellectual property and **cannot be shared without written permission**. This includes exams, PowerPoint/PDF lecture slides and other course notes. If materials are designated as open education resources (with a creative commons license) you can share and/or use them in alignment with the [CC license](#). Other copyright-protected materials created by textbook publishers and authors may be provided to you based on license terms and educational exceptions in the [Canadian Copyright Act](#).

**You are responsible for ensuring that any copying or distribution of materials that you engage in is permitted by the University's "Use of Materials Protected By Copyright" Policy.** For example, posting others' copyright-protected materials on the open internet is not permitted by this policy unless you have copyright permission or a license to do so. For more copyright information, please visit <https://library.usask.ca/copyright/students/index.php> or contact the University Copyright Coordinator at [copyright.coordinator@usask.ca](mailto:copyright.coordinator@usask.ca) or 306-966-8817.

### INTEGRITY

The University of Saskatchewan is committed to the highest standards of academic integrity (<https://academic-integrity.usask.ca/>).

Students are urged to read the [Regulations on Academic Misconduct](#) and to avoid any behaviours that could potentially result in suspicions of cheating, plagiarism, misrepresentation of facts and/or participation in an offence.

For help developing the skills for meeting academic integrity expectations, see: <https://academic-integrity.usask.ca/students.php>

Students are encouraged to ask their instructors for clarification on academic integrity requirements.

Students are encouraged to complete the Academic Integrity Tutorial to understand the fundamental values of academic integrity and how to be a responsible scholar and member of the USask community (tutorial link: <https://libguides.usask.ca/AcademicIntegrityTutorial>).

Assignments in this course are designed to support your learning and professional development, and the work you submit should demonstrate your own knowledge and understanding of the subject matter. Artificial intelligence text generator tools (also known as large language models, such as ChatGPT or similar), are not permitted to be used in any assessments for this course, unless permission is explicitly

given in the assessment instructions that these tools may be used. Any unauthorized use of such tools is considered academic misconduct.

When the assignment instructions allow use of Artificial Intelligence text generator tools, students are required to disclose the use of the tools and explain how the tool was used in the production of their work. Disclosure on the use of AI should be similar to how other tools, software, or techniques are explained in academic research papers. AI cannot be cited as a resource or author. Please be aware that use of portions of another's work in an AI-generated text may be a breach of copyright – this is an area of evolving legal understanding. Students are accountable for the accuracy and integrity of their submissions including references produced with AI. The submission of AI assisted work without disclosure is a breach of academic integrity and professionalism.

Students wanting to connect their assessment in this course to assessments they have completed in another course must get explicit permission of the instructor in order to avoid potential academic misconduct of self-plagiarism.

### **ACCESS AND EQUITY SERVICES (AES)**

Access and Equity Services (AES) is available to provide support to students who require accommodations due to disability, family status, and religious observances.

Students who have disabilities (learning, medical, physical, or mental health) are strongly encouraged to register with Access and Equity Services (AES) if they have not already done so. Students who suspect they may have disabilities should contact AES for advice and referrals at any time. Those students who are registered with AES with mental health disabilities and who anticipate that they may have responses to certain course materials or topics, should discuss course content with their instructors prior to course add / drop dates.

Students who require accommodations for pregnancy or substantial parental/family duties should contact AES to discuss their situations and potentially register with that office.

Students who require accommodations due to religious practices should contact the Office of Student Affairs a minimum of four weeks in advance of the scheduled assessment.

Any student registered with AES may request alternative arrangements for mid-term and final examinations by submitting a request to AES by the stated deadlines. Instructors shall provide the examinations for students who are being accommodated by the deadlines established by AES.

For more information or advice, visit <https://students.usask.ca/health/centres/access-equity-services.php>, or contact AES at (306) 966-7273 (Voice/TTY 1-306-966-7276) or email [aes@usask.ca](mailto:aes@usask.ca).

Students must arrange such accommodations through the Office of Student Affairs (OSA) by the stated deadlines. Instructors shall provide the examinations for students who are being accommodated by the deadlines established by AES.

### **STUDENT SUPPORTS**

#### **College of Medicine, Academic Support Team**

Faculty Consultant: Dr. Ayla Mueen – [ayla.mueen@usask.ca](mailto:ayla.mueen@usask.ca)

Academic Support Specialist: Dr. Joshua Lloyd – [joshua.lloyd@usask.ca](mailto:joshua.lloyd@usask.ca)

Academic Support Administration Office – [med.academicssupport@usask.ca](mailto:med.academicssupport@usask.ca)

### **College of Medicine, Office of Student Affairs**

Student Affairs offers confidential support and advocacy at arm’s length from the academic offices. For more information, please contact:

Student Affairs Coordinator (Saskatoon), Edith Conacher at [edith.conacher@usask.ca](mailto:edith.conacher@usask.ca) or (306) 966-4751

COM and the School of Rehabilitation Science Coordinator (Saskatoon), Bev Digout at [bev.digout@usask.ca](mailto:bev.digout@usask.ca) or (306) 966-8224

Student Affairs Coordinator Regina, Sue Schmidt - [sue.schmidt@saskhealthauthority.ca](mailto:sue.schmidt@saskhealthauthority.ca) or (306) 766-0620

Student Affairs Site Director Regina, Dr. Nicole Fahlman - [nicole.fahlman@usask.ca](mailto:nicole.fahlman@usask.ca) or (306) 209-0142

Student Affairs Site Director Regina, TBD

Director, Student Services, Dr. Ginger Ruddy – [ginger.ruddy@usask.ca](mailto:ginger.ruddy@usask.ca) or (302) 966-7275

### **Academic Help for Students**

Visit the [University Library](#) and [Learning Hub](#) to find supports for undergraduate and graduate students with first-year experience, study skills, learning strategies, research, writing, math and statistics. Students can attend workshops, access online resources and research guides, book 1-1 appointments or hire a subject tutor through the [USask Tutoring Network](#).

Connect with library staff through the [AskUs](#) chat service or visit various [library locations](#) at the Saskatoon campus.

SHA Library: <https://saskhealthauthority.libguides.com/home>

### **Teaching, Learning and Student Experience**

Teaching, Learning and Student Experience (TLSE) provides developmental and support services and programs to students and the university community. For more information, see the students’ web site <http://students.usask.ca>.

### **Financial Support**

Any student who faces challenges securing their food or housing and believes this may affect their performance in the course is urged to contact Student Central (<https://students.usask.ca/student-central.php>).

### **Gordon Oakes Red Bear Student Centre**

The Gordon Oakes Red Bear Student Centre is dedicated to supporting Indigenous student academic and personal success. The Centre offers personal, social, cultural and some academic supports to Métis, First Nations, and Inuit students. The Centre is an intercultural gathering space that brings Indigenous and non-Indigenous students together to learn from, with and about one another in a respectful, inclusive, and safe environment. Visit <https://students.usask.ca/indigenous/index.php>.

### **International Student and Study Abroad Centre**

The International Student and Study Abroad Centre (ISSAC) supports student success and facilitates international education experiences at USask and abroad. ISSAC is here to assist all international

undergraduate, graduate, exchange, and English as a Second Language students in their transition to the University of Saskatchewan and to life in Canada. ISSAC offers advising and support on matters that affect international students and their families and on matters related to studying abroad as University of Saskatchewan students. Visit <https://students.usask.ca/international/issac.php> for more information.
