Faculty Development, CoM

RISE 2025

Health Professions Education in a Digital World

Date: Friday, June 13, 2025

Location: Virtual

Call for Abstracts:

- **Opens:** February 3, 2025
- **Closes:** March 31, 2025

About the Conference:

The Research, Innovation and Scholarship in Education (RISE) conference is a sharing event to celebrate the medical education research and scholarship work being done in medicine and across the health professions in the province of Saskatchewan. We invite authors to submit abstracts for consideration as part of this event. Submissions are welcome for oral presentations and electronic posters on any topic related to medical education. This can include project ideas, works in progress, innovations, and scholarship, or completed medical education research at the University of Saskatchewan. Our focus this year is Health Professions Education in a Digital World.

Plenary Speaker Announcement:

We are pleased to confirm Dr. Sarah Forgie, Dean of Medicine, as our keynote speaker.

Everyone is Welcome!

Whether you're submitting an abstract or simply interested in attending, we encourage you to join us for this exciting event. Engage with peers, learn from experts, and explore the latest in health professions education.
