

Personal Learning Plan

(To be included in the summative assessment section of the portfolio for the Foundations Unit)

Develop a personal learning plan to fill a gap or need in an area not covered by the a unit in the CE diploma.

Please write a brief (500 word) response to the following questions. Discuss your responses with your Foundations Unit advisor. Modify your initial responses to reflect any changes that result from the discussion. Submit your responses to your eportfolio.

1. How did you assess (e.g. determine) your learning need(s)?
2. What learning methods / strategies did you choose? Why?
3. How did you evaluate the success of your plan?
4. Describe the system you use to track and record your learning needs. (e.g. learning management system)
