

COACHING SKILLS FOR BETTER LEARNING

Are you a **teacher, trainer, coach, mentor, or advisor** looking to **elevate your coaching skills**? Join our **Coaching Skills for Better Learning course** and take your feedback and debriefing skills to the next level!

COURSE OVERVIEW

This course is designed for professionals who support learners and colleagues at any level. You'll gain practical tools to lead effective, coaching-oriented feedback and debriefing sessions that foster growth, reflection, and competence.

COURSE OBJECTIVES

By the end of this course, participants will be able to:

- Proficiently lead effective coaching-oriented feedback/debriefing sessions
- Observe learners and others with minimal inferences and assumptions

COURSE STRUCTURE

Over the course of 5 months, participants will engage in:

- **Five 2-Hour Synchronous Sessions** (Dates/times will be arranged based on participants' availability)
- **Monthly Readings & Short Assignments**
- **Asynchronous Online Discussions**
- **Small Group & Individual Practice Sessions**
- **Personalized Coaching Feedback** (during the course and optional post-course follow-up)

FACILITATORS:

MARCEL D'EON

PhD, Professor Emeritus, USask

Marcel has over 30 years of experience in faculty development and has directed four successful train-the-trainer coaching skills courses 2022 - 2026 and works developmentally with coaches.

SEAN POLREIS

MEd, Teaching & Learning Specialist

Sean brings over 17 years of experience in faculty development in the College of Medicine. He currently chairs the TIPS for Residents Oversight Committee & is the Teaching & Learning Unit Lead for the Clinician Educator Diploma program.

WHAT ATTENDEES ARE SAYING:

“ I cannot emphasize how much I grew during that year of training as an educator and as a coach ”

“ The spaced-out synchronous sessions and the release of manageable, focused homework made it easier to complete requirements while balancing work. ”

“ I highly recommend this course!!! ”

“ I appreciated the multiple opportunities to practice what I learned, ask questions, and receive feedback in a supportive environment. ”

“ I now have helpful resources and a growing repertoire of go-to phrases in my “coaching toolbox” to support ongoing practice and future interactions. ”

*This activity meets the certification criteria of the **College of Family Physicians of Canada** and has been certified by the Continuing Medical Education Division, University of Saskatchewan for up to **10.5 Mainpro+® Certified Activity credits**.*
