RISE Virtual Conference 2021
Research, Innovation and Scholarship in Education

RISE RESEARCH INNOVATION AND SCHOLARSHIP IN EDUCATION

Friday, June 11, 2021
Conference Objective: To network and share medical education research and scholarship at the University of Saskatchewan

Click HERE to join the Main Conference Room			
9:45 AM	**Attendee Sign-in**		
9:55 AM	**Treaty Acknowledgement**		Dr. Cathy MacLean; Director Faculty Development
9:57 AM	**College of Medicine Welcome**		Dr. Kent Stobart; Vice Dean Education
10:02 AM	**Faculty Development Welcome & Conference Housekeeping**		Dr. Cathy MacLean

ORAL PRESENTATIONS ** 6 min presentation | 3 min Q&A | 1 min speaker transition

Concurrent Sessions			Research Stream	Facilitator: Dr. Brent Thoma Research Stream LINK	Innovation Stream	Facilitator: Dr. Kalyani Premkumar Innovation Stream LINK	Education Research Stream	Facilitator: Dr. Sharon Card Education Research Stream LINK
10:20 - 11:20 AM	10:20	10:30	**Speaker: Sean Polreis** *Topic*: Does the format residents use to give and receive feedback about teaching affect the usefulness of the feedback?	**Speaker: Zach Oleynik** **Topic**: *MSK Medical Education Videos and PDF Content Creation for Medical Students*	**Speaker: Eva Karki** **Topic**: *Need for Laboratory Medicine Stewardship Teaching in Medical Education based on Regional Thyroid Function Testing Patterns*
	10:30	10:40	**Speaker: Udoka Okpalauwaekwe** *Topic*: Enhancing faculty engagement among physicians/academics at the University of Saskatchewan: an urban-rural exploratory study	**Speaker: Christine Pask** **Topic**: *Virtual Visit Direct Observation Feedback Form*	**Speaker: Mu-Sen Kevin Chuang** **Topic**: *Dissecting Anatomy Laboratory Introductions: Adopting conversation analysis methodology to reveal the structure and functions of laboratory instructional methods*
	10:40	10:50	**Speaker: Jeremiah Acharibasam** *Topic*: Using the Curriculum Densitometer to measure the impact of curricular workload on students' mental health: A pilot study	**Speaker: Chantal Lecuyer** **Topic**: *Virtual Medical Escape Room Experience (V-MERGE)*	**Speaker: Harini Aiyer** **Topic**: *ePosters as an active learning strategy in Health Professions Education*
	10:50	11:00	**Speaker: Helen Chang** **Topic**: *Design & Implementation of a Simulated Patient Performance Assessment (SP-Pass)*	**Speaker: Amit Persad** **Topic**: *Novel Virtual Case Learning Environment for Surgical Education*	**Speaker: Harold Bull** **Topic**: *From Student to Researcher: Revealing the CURE*
	11:00	11:10	**Speaker: Siddharth Kogilwaimath** *Topic*: Thinking Outside the Box: Evaluating a virtual classroom model to deliver HIV primary care medical education to physicians & nurse practitioners across Saskatchewan, Canada	**Speaker: Anne Leis** **Topic**: *Learning Medical Terminology in French with simulated patients*	**Speaker: Julie Maier** **Topic**: *Incorporating Longitudinal ePortfolios into a Health Professions Education Program*
	11:10	11:20	**Rob Woods** *Topic*: Building validity evidence for the QuAL (Quality of Assessment for Learning) score as a measure of the quality of narrative comments in Competency Based Medical Education	**Speaker: Yuhao Wu** **Topic**: *Transforming the Undergraduate Radiology Elective Experience: Introduction of Active Learning*	**Speaker: Michael Epstein & Donelda Gowan** **Topic**: *Lessons, learning, and leadership: A storytelling intervention for promoting transformational change and innovation in healthcare*

E-POSTERS ** 3 min presentation | 1 min Q&A | 1 min speaker transition

			Facilitators: Dr. Anurag Saxena; Associate Dean PGME & Dr. Meredith McKague; Associate Dean UGME
11:30 - 12:15 PM	11:30	11:35	**Speaker: Michael Levin** — **Poster**: Assessment of the combined undergraduate MD/graduate degree (MSc, PhD) program at the UofS
	11:35	11:40	**Speaker: Katherine Archibold** — **Poster**: Stroke Care and Neurological Emergency Response Simulation (SCaNERS): Creation and Implementation into a Resident Curriculum
	11:40	11:45	**Speaker: Susan Petryk** — **Poster**: Virtual Clinical Teaching sessions in Developmental-Behavioural Pediatrics: Examining and learning from students' experiences
	11:45	11:50	**Speaker: Sadatullah Syed** — **Poster**: Learning and Teaching through Social Media for Health Professions
	11:50	11:55	**Speaker: Christine Pask** — **Poster**: Ethics Teaching and Learning at the University of Saskatchewan Postgraduate Family Medicine Program: A Quality Improvement Project
	11:55	12:00	**Speaker: Alia Teja** — **Poster**: Evaluation of Competency Based Education (CBE) Methods Applied to Internal Medicine Resident Handovers
	12:00	12:05	**Speaker: Jamie Vander Ende** — **Poster**: Long Term Care Outreach; Service Learning During COVID-19
	12:05	12:10	**Speaker: Getahun Ersino & Kayode Adesina** — **Poster**: Interprofessional Education Competency Tracker (IPECT) App: An Innovative Tool for Delivering Interprofessional Education (IPE) at USask Health Sciences
	12:10	12:15	**Speaker: Megan Clark** — **Poster**: Trans Research And Navigation Saskatchewan: A Project in Progress to Improve Health for People who are Trans and Gender Diverse in Saskatchewan

5 Minute Break		
12:20 PM	**Keynote Speaker Introduction**	Dr. Kent Stobart
12:25 PM	Tips for Success in Medical Education Research for the Busy Clinician	Dr. Rose Hatala
1:25 PM	**Poster Award Presentation**	Dr. Anurag Saxena & Dr. Meredith McKague
1:35 PM	**Closing Remarks**	Dr. Cathy MacLean
10 Minute Break		
1:45 PM	**Optional Workshop** *Coaching Conversations in Competency-Based Education: where do our research questions lie?*	Dr. Rose Hatala & Dr. Sharon Card
2:45 PM	Wrap Up
