RISE 2025

Health Professions Education in a Digital World

REGISTRATION IS OPEN

Date: Friday, June 13, 2025

Location: Virtual

About the Conference: The Research, Innovation, and Scholarship in Education (RISE) conference is a sharing event celebrating the medical education research and scholarship conducted in medicine and across the health professions throughout Saskatchewan. At RISE, you will have the opportunity to engage with peers, learn from experts, and explore the latest advancements in health professions education. Best of all, registration is free!

Keynote Speaker Announcement: We are pleased to confirm Dr. Sarah Forgie, Dean of Medicine, as our keynote speaker.

Everyone is Welcome!

RISE 2025

Health Professions Education in a Digital World

Overall Event Objectives

By the end of this event, participants will be able to:

- Describe medical education research and scholarship at the University of Saskatchewan
- Network with others who share interest in medical education and scholarship
- Create collaborations / communities of practice that will support medical education research and scholarship in the CoM

Oral and E-Poster Objectives

By the end this session, participants will be able to:

- Describe some of the medical education research at USask in specific areas such as technology, social accountability, CBME, curriculum, assessment, UGME, etc.
- Connect with other researchers in topics of interest.
