

## Faculty Development *on the move....*

- **Rural Faculty Development Road Tour**  
We can do a series of sessions at various sites at the times we are in your location for TIPS or on other arranged site visits.
- **Regina Campus program**  
Check FD out in Regina – [reginafaculty.development@usask.ca](mailto:reginafaculty.development@usask.ca)
- **By Request – ask us to come and we will set up a date**  
We can fit in your existing rounds/meeting or do a specific event.
- **Northern Medical Services** – we can visit your community.
- **SaskRENEWAL – come to Wautrous in May!**  
For more information contact the DME office.
- **Coming for CME?** We can piggyback Faculty Development on other programs that you are attending.
- **Webex and Videoconferencing options** for FD programs
- **Check out our website for online modules/webinars**

Our FD office offers sessions throughout the province and are happy to come to your location; work with your local faculty development lead and your department. **Just give us a call: 306-966-5171.**

Go to the FD website for more information.
