

## Preparation for Day 2

- 1) Read pages 38-44: Understanding the Learner Experience & Cognitive Biases.
- 2) Complete the CORAL Cell Methods of Assessment: An Introduction at <https://teaching.usask.ca/articles/methods-of-assessment.php>
- 3) Prepare for your assigned clinical teaching technique using the information provided at <https://wiki.usask.ca/display/db/Clinical+Teaching+Techniques>
- 4) Using one of the microteaching critique forms (page 34 & 35) watch & assess your day 1 microteaching session video.
- 5) Come to Day 2 prepared for another microteaching session (you will have half an hour to work on it during TIPS).
