

# MILES FOR SMILES PLEDGE FORM

**I am running/walking in the 19<sup>th</sup> Annual Miles for Smiles Fundraiser on Saturday, September 10<sup>th</sup> at Rotary Park!**

I, \_\_\_\_\_, am asking for your support to raise funds for **Riversdale Community Fridge in Saskatoon**. All the money you pledge for our run/walk will be donated directly to the organization and will stay in Saskatoon to support our local community.

Riversdale Community Fridge (RCF) is an initiative seeking to address issues of food insecurity and poverty in Saskatoon by collaborating with community partners to provide access to healthy food options while addressing food waste. RCF is a community operated fridge and pantry that provides food, and other necessary items (i.e. hygiene products, warm clothing) to individuals in need. Individuals who access the fridge are most often people who are suffering from poverty and food insecurity. Providing individuals and their families food security through community based organizations such as the RCF is a form of harm reduction, and a way that we can help improve the lives and health of our community. The money that we raise for them will be used directly for grocery restocks for the fridge, as well as maintenance costs associated with ensuring the fridge is able to continue to operate.

**Please ensure cheques are made out to: Student Medical Society of Saskatchewan (Miles for Smiles)**

**Unfortunately, this year we are unable to provide a charitable tax receipt since our charity is so new that they are currently in the process of becoming an official registered charity. Currently as a not-for-profit organization, neither RCF nor the SMSS can provide charitable tax receipts. Thank you for your understanding and we apologize for any inconvenience. That being said, every little bit helps to ensure this important charity can remain up and running!**
