

2023 Dean's Summer Research Projects

APPLICATION PROCESS & TIMELINE

Call for project proposals released to all CoM faculty. Data request form required if using Cancer Agency data.

Proposals submitted by faculty are sent to adjudicators.

Faculty are notified of proposal success and begin securing appropriate approvals (operational, ethics, community etc.)

Signed student-supervisor agreements due to deans.projects@usask.ca.

Faculty are responsible for applying for necessary approvals to conduct the project: ethical, community or operation approvals, and data requests. **Failure to do so will result in project delays.**

Mid-point reports sent out via Survey Monkey.

Final reports sent out via Survey Monkey. **Project posters and abstracts** are due via email.

- Project proposals due to deans.projects@usask.ca
- Cancer Agency data request forms due to datarequest@saskcancer.ca

Cancer Agency provides approval letters to faculty.

Successful proposals in need of a student are posted on the Dean's Project Google Drive. Students will contact faculty members to express their interest in participating in summer research project.

Supervisors of projects involving Cancer Agency data must inform the Cancer Agency of the name of the student working on the project.

PROJECTS BEGIN!

All projects completed.

Undergraduate Research Showcase to be held virtually mid-October.
