

MEMORANDUM

TO: Faculty in the College of Medicine
FROM: Dr. Marek Radomski, Vice-Dean Research
DATE: August 18th, 2022
RE: Letters of Excellence

The Office of the Vice-Dean Research (OVDR) would like to invite supervisors of a 2022 undergraduate summer research project to nominate their student(s) for a Letter of Excellence from myself and the Vice-Dean Education, Dr. Kent Stobart. This program recognizes the achievements of students who excel in research.

This opportunity is available to College of Medicine students and participants in our undergraduate summer research projects. Supervisors must submit a nomination letter (maximum one page) outlining why the nominated student should receive a Letter of Excellence. Each nomination should outline the nominee's:

- a. Commitment to learning
- b. Keen interest in the topic
- c. Work ethic
- d. Contributions to the research project

Based on these letters, Dr. Kent Stobart and myself will select recipients and write them a personal Letter of Excellence. If you have an undergraduate student you would like considered, please submit a letter of nomination to deans.projects@usask.ca by **October 12th, 2022**. We look forward to hearing from you.

Sincerely,

Marek Radomski, MD, PhD, DSc, Dhc
Vice-Dean Research
College of Medicine
